BUILDING STRONG COMMUNITIES LIMA & MACHU PICCHU, PERU GLOBAL TEENS PROGRAM 2017

Ages: 13 -17 | Dates: TBD, 14 days in August 2017

The Community YMCA's Global Teens Program gives teens a transformative summer travel experience. Students will experience new perspectives through local culture, language, and lifestyle. Participants will spend their time in Peru working collaboratively with local teens on a variety of service projects that will help build and restore infrastructure within Lima and neighboring communities.

The Global Teens Program provides a unique volunteer experience. Students will help make real changes in the communities that we serve while working hard and learning from local leaders and teens about the difference facets of need existing within their communities. They will also have the opportunity to spend three days exploring the world famous UNESCO heritage site Machu Picchu.

Participants will be required to attend monthly preparatory meetings prior to going on the trip to familiarize themselves with issues related to service, international travel, cultural awareness, Peruvian customs, and more.

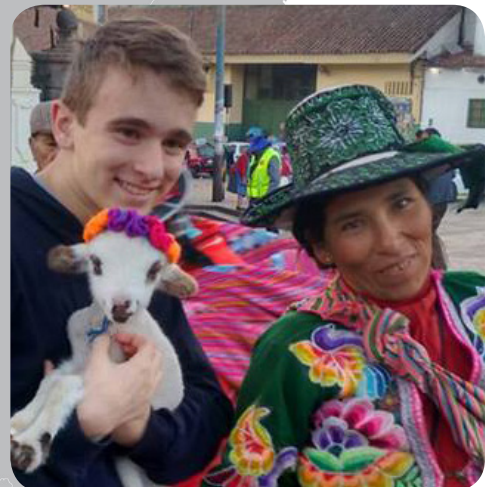

ITINERARY:

- DAY 1:** Settle in as you arrive in Lima, Peru. Attend an orientation meeting with local leaders and students.
