BUILDING STRONG COMMUNITIES LIMA & MACHU PICCHU, PERU GLOBAL TEENS PROGRAM 2018

The Community YMCA's Global Teens Program gives teens a unique travel and service-learning experience!

Students will experience new perspectives through local culture, language, and lifestyle. Participants will spend their time in Peru working collaboratively with local teens on a variety of service projects that will help build and restore infrastructure within Lima and neighboring communities.

Students will help make real changes in the communities that we serve while working hard and learning from local leaders and teens about the different facets of need existing within their communities. They will also have the opportunity to explore the world famous UNESCO heritage site Machu Picchu.

ITINERARY:

- Day 1:** Settle in as you arrive in Lima, Peru. Attend an orientation meeting with local leaders and students.
- Day 2:** Visit catacombs. Service project at a local orphanage. Evening merengue/salsa lesson.
- Day 3:** Visit Kennedy Park and attend a local sightseeing tour in the morning. Return to the orphanage to continue service project in the afternoon. In the evening, attend a traditional Peruvian box drum lesson.
