Cardio & Strength

BOOT CAMP – Blend strength and stamina training to get a great full body work-out. Class includes weights, calisthenics and agility training.

BUTTS 'N GUTS PLUS – Focus on working the lower half of the body and creating a strong core. Will help to tone and strengthen stubborn areas of the body!

CARDIO KICKBOXING – Combines martial arts techniques with fast-paced cardio. This high-energy workout challenged the beginner and elite athlete alike. Build stamina, improve coordination and flexibility, and burn calories as you build lean muscle with this fun and challenging workout.

INTERVAL BLAST– Wake up in the a.m. with interval blast. A mix of cardio, strength, and core work in an interval format that will get your day going.

LES MILLS BODY PUMP –A barbell class that strengthens your entire body, challenges all your major muscle groups by using the best weight room exercises to get great results!

LES MILLS GRIT – An intense 30 minute HIIT class consisting of three formats: cardio, plyometric, or strength. These programs are designed to train you like an athlete for tremendous results.

STEP & ABS – Movement combinations using a step platform for a fun and challenging cardiovascular workout for all levels. Add some abs in at the end to get a great workout!

STEP & PUMP – A fun and challenging cardiovascular workout using a step platform, some resistance training using free weights and body bars to get a full body workout.

THE MINUTE BLAST – Intervals of cardio and strength training exercises done in 1 minute increments. Great way to burn calories and tone the entire body.

WILLPOWER IGNITE – This interval style class is built on a foundation of the Willpower method concepts and fueled with high-end anaerobic drills. The result is sculpted, flexible muscles, healthy joints and a cardiovascular system that is on fire.

Indoor Cycling

CORE CYCLE– A traditional cycle class with a strong emphasis on the core. Ride for 45 minutes through a series of hills and jumps. Finish the class with 10 minutes of abdominal and core work on the mat.

CYCLING – Motivating instructors and energizing music will give you an outdoor ride experience in a class setting. Learn to achieve your target heart rate and improve cardio fitness.

CYCLE HIIT– High intensity interval training on an indoor bike. Get an hour's worth of work done in just 35 minutes. Short burst of high intensity will help you to burn more fat.

TWICE AS FIT– This class begins with 30 minutes of cycling and is followed by a total body strength and core workout.

Dance

BELLY DANCING – Shimmy your way to awesome abs! A great Middle Eastern work out that targets areas that could use a little improvement.

SAMBA BELLY FITNESS – A dynamic fat burning cardio workout blast incorporating belly dance, Samba, Latin, Dance Hall, Afro-Caribbean, Hip-hop and Bollywood.

ZUMBA – A high energy Latin style dance class. Mambo, salsa and cha-cha your way to a great cardio workout.

ZUMBA GOLD – Active older adults who are looking for a modified Zumba® class that recreates the original moves you love at a lower, and safe intensity.

ZUMBA TONING – Traditional Zumba, with a twist. Lightweight maraca-like Toning Sticks and/or dumbbells enhances sense of rhythm and coordination, while toning target zones, including arms, core and lower body.

Low Impact & Special Populations

ARTHRITIS FOUNDATION FITNESS –Led by a certified arthritis foundation instructor, class emphasis is on improving range of motion in joints, strength & balance.

SENIOR FITNESS – Low impact aerobics fused with light weight training and balance exercises. Open to all ages and abilities.

SENIOR FITNESS PLUS– This stimulating workout is perfect for the active senior that is looking to improve their workout at the next level. Major muscle groups and the core will be targeted. All exercises modified to meet your fitness level.

SENIOR STRENGTH, STRETCH & BALANCE – Weight bearing and balance exercises to combat osteoporosis, lengthen muscles and improve mobility. Open to all ages and abilities.

SPECIAL POPULATIONS – A class for people with special needs to get in shape and have fun at the same time! Gain strength and build stamina as you bond with others in the class.

THERAPEUTIC FITNESS – Designed for those with movement disorders such as Parkinson's, MS and Arthritis. This class uses large random movements of arms and legs to help combat the symptoms of tremors, stiffness, falling and rigid arms and legs.

Pilates & Core

BARRE ABOVE – Fusing the best of pilates, yoga, aerobics, and elements of the strengthening exercises dancers do, Barre Above delivers a results-driven workout that is not only fun and dynamic, but it will sculpt your body and get you into absolutely amazing shape.

CORE 'N MORE – Strengthen your core by incorporating moves from Pilates, yoga and the stability ball along with strength training.

FLEX AND SCULPT – Flex your muscles with weights and sculpt your thighs, butts & guts with other fun & effective equipment. An emphasis on safety & alignment as well as variations will ensure a fabulous workout for all levels!
