CHOOSING THE RIGHT SWIM CLASS/LEVEL

If you cannot determine the right class or think your child has moved up since his/her last class, bring your swimmer in to be tested. Testing will ensure your child will be in the appropriate class.

PRIVATE LESSONS

Private swim lessons are for adults and children of ALL abilities to work with an instructor towards their goals. These 30-minute private lesson sessions are scheduled to accommodate your busy schedule and are available in increments of 1, 4 or 8. Share the lesson with a fellow Y member and save! **PLEASE NOTE:** There is a 24-hour cancellation policy on all private swim lessons. Services will be charged if an appointment is not cancelled 24 hours in advance.

PROGRAM CREDIT/REFUND POLICY

No refunds will be issued after classes begin. Credits will only be given if the program enrollee is unable to participate in that program due to a serious injury or illness that will cause them to miss three (3) or more consecutive classes during a session. Credit requests must be accompanied by a doctor's note and submitted to the Senior Director prior to the end of the session in which you are requesting a credit. Credits will be posted to your account and must be used within one year.
